Dear Sears:

Since you and I talked in our show room, I have had a deck built at my own home.

I was quite pleased with the quality, finish time, and especially the price. It was built, by Facility Maintenance Services, the owner of which is Mark S. Milovich at 572-2408 or 696-1139, and I am pleased to recommend them.

Sincerely,

S/ Frederick Stevenson, Jr.
