Dear Mark,

Enclosed is a check for the outstanding amount due as per your invoice for 329 Millcreek. I would like to take this opportunity-at the risk of being effusive-to thank you and your team for being thorough, quick and pleasant in your rendering of the renovation to my house. Perhaps contractors get a bad rap, but it was a welcomed surprise to see a team in action that works hard and gets the job done! In a climate where work ethics seem to have gone down the drain, your approach to your work stands out! Please extend my thanks to all.

I will be in touch for continuing projects and will not hesitate to recommend you to interested inquirers.

The Best of Success to you and Happy Thanksgiving.

Sincerely,

Mary "Mamie" Williams
